Just a tranquil setting....

Wow....over 4 hectares of stunning bush land, yet only minutes drive to Robina Town Centre, schools and other amenities. Tucked away in a quiet street, sits this quality home boasting ducted air conditioning with 10' ceilings over extra large living areas adjoining a deluxe kitchen featuring an amazing hand crafted timber bench, gas hotplates, ample cupboards and huge pantry.

Master bedroom has a more than a generous walk in robe and a modern, open plan ensuite, and in addition to the good sized study at the front of the house, the three other bedrooms are located in a separate wing with a rumpus room.

Set among the delightful gardens is a superb decked platform complete with a artisan's pizza oven. Add the double garage, extra large shed, water tank and natural wildlife and you have a home you will never want to leave
